

Prowise All-in-one lift

With the help of our innovative adjusting system you can even use the Prowise touchscreen as a drawing table or touchtable in addition to the standard height adjustment. One push of a button is all it takes to place the Prowise touchtable into the desired position. An advanced, hardware based safety system minimizes the risk of damaging itself or people around it. Power consumption in standby mode is only 0,1 kWh.

Specifications

- Weight: 53 kg
- Min height: Vert. pos.: 940 mm, Hor. pos: 615 mm
- Max height: Vert. pos.: 1600 mm, Hor. pos: 1275 mm
